Dear Oasis Friends,

We have had a very wonderful winter despite the weather with the chance to see so many of our participants return to classes via in person and Zoom. Covid trends across New York and in the Rochester area have been moving in a very favorable direction. Nonetheless, the pandemic isn't over and situations do change quickly. Oasis Rochester staff will continue to monitor and evaluate the situation carefully and adjust our in person protocol accordingly. As we did this winter, we will continue with our **proof of full vaccination requirement (including the booster)** for classes this spring/summer. At the time of this writing, it is hard to predict what we will recommend regarding masking. We ask that you please be patient with us and look for emails regarding class masking recommendations prior to the start of classes this May. Again, many of our classes will be held in our Monroe Avenue space as well as in community spaces. Some classes will continue to be held via Zoom (and are noted 'Zoom Only') and some will be simulcasted in person AND via Zoom for those who may want to participate but not in person. Please note that for those classes only, there are two different class numbers and class titles are noted with 'In Person' and 'Zoom Simulcast.' Please register for either dependent on how you plan to participate and do not take an in person seat if you do not plan to come to our Monroe Avenue space. Several of our classes are offered on Oasis Everywhere, which is a way of sharing classes with others across the country. Those classes are listed in green and we ask that you register for those classes on our Rochester website online or via mail and not on the separate national Oasis Everywhere website. Please register carefully.

Ann Cunningham
Oasis Rochester Executive Director
